Your Partner in Delivering Exceptional Results

IMPROVE CASE OUTCOMES

Deliver exceptional outcomes and set your firm apart with intuitive practice management tools that elevate workflows and client service.

- Share real-time updates and secure documents through the client portal.
- Use in-app text messaging to send and receive texts from clients without giving out your personal cell phone number.
- Leverage case milestone tracking to provide clients with real-time progress updates.

TRACK LEADS AND WIN MORE CLIENTS

Maximize client intake and retention to ensure every lead is tracked, every case is converted, and no opportunity is missed.

- Track client interactions to ensure no lead is missed.
- Leverage analytics and referral tracking to optimize intake and boost conversions.
- Streamline intake with eSignature and integrated text/email for a seamless process.

STREAMLINE CASE MANAGEMENT

Inefficiencies can add up quickly. Streamline operations, reduce stress, and refocus your efforts on what matters most.

- Stay organized with document management and integrated calendar tools for seamless case management.
- Automate statute reminders and progress tracking for tasks to stay on top of critical deadlines.
- Ensure data security with rolling backups that protect your client information.

“CASEpeer is the most intuitive, helpful, all-encompassing [firm management tool]... It takes the stress out of every interaction... [and], it empowers [me and my team] to focus on helping clients.”
